

Pittsburgh Regional Transit

FOR IMMEDIATE RELEASE (May 17, 2023) – Schedules for more than 30 Pittsburgh Regional Transit bus routes will be adjusted on Sunday, June 18.

Most routes will experience minor trip time adjustments and some frequency changes to improve reliability. Some of these changes have been made in consultation with PRT's scheduling committee and customer requests.

For riders of the 24-West Park, service along Pitchfork Drive and Crabapple Drive will be discontinued due to lack of ridership. All weekday trips will serve The Mall at Robinson. Sunday frequency was reduced from 45 minutes to 55 minutes.

The 41-Bower Hill route has been extended to Penn Station along the East Busway with new additional stops added.

The 54-Northside-Oakland-South Side route will now serve the Community College of Allegheny County and extend to Allegheny Station.

The 60-McKeesport-Walnut will no longer serve the stop near Planet Fitness in the Olympia Shopping Center. Riders should instead board buses at the nearby Olympia Park and Ride bus shelter.

The 67-Monroeville and P68-Braddock Hills Flyer will now serve the new VA Clinic at the Monroeville Mall Mondays through Saturdays. The clinic is closed, and buses will bypass that stop on Sundays.

Riders are reminded to check their schedules before heading out. For a complete list of changes, visit www.ridePRT.org/ServiceUpdates.

Please contact Customer Service with any questions at 412-442-2000, on Twitter @PghTransitCare or on live chat at www.ridePRT.org.
