

FOR IMMEDIATE RELEASE (December 28, 2022) - Street closures downtown for Highmark First Night Pittsburgh 2023 events will cause more than 20 Pittsburgh Regional Transit bus routes to detour this weekend.

Some streets will close and bus routes will be detoured as early as noon on Saturday. Most other bus routes will be detoured at 4 p.m. with additional detours between 8 and 9 p.m. for the New Year's Eve parade. Route-specific detour information can be found at www.rideprt.org/firstnight2023.

Detours on Saturday notwithstanding, buses and light rail vehicles will operate on regular schedules. Monongahela Incline replacement shuttles will continue to be in operation as the incline will remain closed until next month.

On Sunday, buses will return to their regular routing and follow regular Sunday schedules. Light-rail vehicles will operate on a special holiday schedule that can be found at www.rideprt.org/holidays. Customer Service representatives will be available Sunday from 8 a.m. to 4:30 p.m.

On Monday, buses and light-rail vehicles will return to their regular weekday schedules. Customer Service representatives will be available from 6 a.m. to 7 p.m. though PRT's administrative offices and the Downtown Service Center will be closed.

Riders with questions about the detours or holiday schedules are encouraged to contact PRT Customer Service by calling 412-442-2000, on Twitter @pghtransitcare or via live chat on our website, www.rideprt.org.
