Service Adjustments Go into Effect Sunday, March 15

FOR IMMEDIATE RELEASE (February 18, 2020) – Port Authority’s annual major service adjustments will go into effect on Sunday, March 15 alongside several minor adjustments aimed at improving on-time performance and service reliability.

New weekday service will be added to the O12-McKnight Flyer to serve CCAC’s North campus and to the G3-Moon Flyer to serve businesses in the Cherrington Parkway corridor.

Weekend service will be added on five bus routes:

- Saturday service on the 60-Walnut-Crawford Village
- Sunday service on the 53-Homestead Park
- Saturday and Sunday service on the P68-Braddock Hills Flyer
- Saturday and Sunday service between Millvale and downtown Pittsburgh via the Strip District on the 2-Mount Royal.
- Saturday and Sunday service to CCAC’s Boyce campus on the 67-Monroeville

And to help avoid confusion, Port Authority will rename the Blue Line Library to the Silver Line Library. Existing signs, maps and other materials will be changed throughout the system over the next few months.

For a complete list of all the service adjustments, please visit www.PortAuthority.org/ServiceUpdates

Customers with questions are encouraged to call Port Authority Customer Service at 412-442-2000.
