

FOR IMMEDIATE RELEASE (February 3, 2023) – Effective immediately, Pittsburgh Regional Transit will be unable to serve most of Millvale Borough after PennDOT reduced the weight limit of the Grant Avenue Bridge.

The change effectively prohibits PRT from serving the community; Lincoln Avenue, the only viable detour, is currently closed.

Rather than using Grant Avenue, PRT will instead detour the 2-Mt. Royal bus route via Evergreen Road. Overall, seven inbound and eight outbound bus stops will be discontinued, while three inbound and three outbound bus stops will be established.

The full detour notice can be found by visiting the detours section at www.rideprt.org.

Riders with questions are encouraged to contact PRT Customer Service by calling 412-442-2000, on Twitter @pghtransitcare or chatting with a representative at www.rideprt.org.
