

FOR IMMEDIATE RELEASE (October 21, 2022) – Pittsburgh Regional Transit will reduce service by nearly 2% to improve service reliability beginning Sunday, November 20.

The change amounts to an overall reduction of 488 hours a week. PRT currently operates 27,400 total hours each week.

Routing changes will be built into the schedules of the 59-Mon Valley, P7-McKeesport Flyer, P71-Swissvale Flyer, and the 71-Edgewood Town Center due to the long-term closure of the Washington Avenue Bridge in Swissvale.

Updated schedules can be found at www.rideprt.org/serviceupdates.

Riders with questions are encouraged to contact Customer Service at 412-442-2000 or Twitter @PghTransitCare or on live chat at www.ridePRT.org.
