

## **PORT AUTHORITY TO REPLACE TRACK CROSSING IN CASTLE SHANNON**

**FOR IMMEDIATE RELEASE** - Port Authority will be replacing a track crossing at Mt. Lebanon Boulevard in Castle Shannon the weekend of September 20-23.

The work requires removal of the existing rail and the installation of new rail. Construction will be performed 24 hours a day to shorten the duration of the project.

Beginning at 8 p.m. on Friday, the Red Line will operate from Allegheny Station to Mt. Lebanon Station. A bus shuttle will operate from Mt. Lebanon Station to the Castle Shannon Station Park and Ride, and serve Poplar, Arlington (outbound only), and Castle Shannon stations via Castle Shannon Boulevard. Customers traveling beyond Castle Shannon must travel to Overbrook Junction and take the Blue Line toward South Hills Village. Regular service will resume by 5 a.m. Monday.

Vehicular traffic will be detoured from Mt. Lebanon Boulevard via State Route 19 (Washington Road) to Scott Road and Castle Shannon Boulevard.

Residents and light rail riders should allow additional travel time.

Anyone with questions or concerns is encouraged to call Port Authority's Construction Hotline at 412-566-5544. The hotline is staffed weekdays from 6 a.m. to 7 p.m. and on weekends and holidays from 8 a.m. to 4:30 p.m. Messages will be returned as soon as possible. The hotline is staffed by Customer Service Representatives weekdays from 6 a.m. to 7 p.m. and on weekends and holidays from 8 a.m. to 4:30 p.m.
