

Enforcement of Downtown Bus Lanes To Begin Sunday

FOR IMMEDIATE RELEASE (July 17, 2025) – Pittsburgh Regional Transit is reminding drivers that enforcement of the newly designated red bus lanes downtown will begin on Sunday, July 20.

Port Authority Police have been issuing verbal warnings since the lanes were installed last month. According to Pennsylvania law, drivers using bus only lanes may be issued a citation of \$25 with associated fees that will bring the total cost to nearly \$200.

Motorists are advised that private vehicles are strictly prohibited from entering, stopping, or parking in the red bus lanes, even for brief pickups, drop-offs, or deliveries.

These dedicated bus lanes are reserved exclusively for buses and emergency vehicles and are clearly marked to ensure the smooth and efficient flow of public transit. Drivers should pay close attention to street signage and lane markings to avoid violations.
