

ready?

Get ready. Our new fare card is coming your way.

Pittsburgh Regional Transit will soon move from ConnectCard® to an enhanced, next-generation fare service called **ReadyFare™**. It's

more than a new look—it's a better, more convenient way to purchase and pay your fare. You'll soon start to see new equipment installed throughout the PRT system including new ReadyFare fare vending machines, fareboxes, and more.

(Continued on back.)

We want to make your transition smooth and easy. Look for more information coming soon so you'll be ready to go.

Don't want to wait? Download PRT's Ready2Ride® mobile app to begin using the card-free version of the ReadyFare system today.

For more information, call **412-442-2000**, scan the QR code or visit **rideprt.org/readyfare**
