

***PRT to Suspend Downtown Rail Service on Monday
for Electrical Work***

FOR IMMEDIATE RELEASE (October 30, 2025) – Pittsburgh Regional Transit will suspend rail service in Downtown Pittsburgh on Monday while crews make repairs to the overhead electrical lines.

Regular service is scheduled to resume Tuesday morning.

During the work, inbound rail service will end at Penn Park Station. Riders traveling farther inbound should exit at Penn Park Station and board a shuttle bus that will operate along Liberty Avenue to Gateway Station with stops at and across the street from Wood Street Station.

From Gateway, rail service will resume to North Side and Allegheny Station.

Wood Street Station will be fully closed on Monday.

Service from the North Shore will end at Gateway Station. Riders continuing toward the South Hills should exit the rail car at Gateway, board a shuttle bus to Penn Park Station, then proceed to the platform to board outbound trains.

Riders should allow for at least 20 minutes of additional travel time.

For questions or assistance, riders are encouraged to call PRT Customer Service at 412-442-2000 or reach out via Twitter @PghTransitCare or live chat at www.ridePRT.org.
