

## ***Additional Rail Replacement Work Begins Tomorrow***

**FOR IMMEDIATE RELEASE (May 15, 2024)** – Pittsburgh Regional Transit’s rail replacement project at the Willow Avenue crossing will begin tomorrow at 8 p.m.

**From May 16 to May 31**, PRT will be replacing the inbound rail at Willow Station. During this time, rail cars will operate on the outbound Red Line tracks between St. Anne and Overbrook Junction. Rail cars will operate on the outbound Blue Line and Silver Line tracks between St. Anne and Willow Stations.

All riders should use the outbound platforms of St. Anne, Willow, and Overbrook Junction Stations during this time.

Additionally, rail cars will continue to terminate at Penn Station (adjacent to the East Busway) through May 31.

**From May 31 to June 16**, crews will switch sides to replace the outbound rail. Riders using St. Anne, Willow, and Overbrook Junction should use the inbound platforms to travel inbound or outbound.

Riders on all rail routes may experience delays of up to 40 minutes while operators wait for oncoming vehicles to pass.

**From May 16 to June 16**, the Red Line will operate between downtown Pittsburgh to South Hills Village except for weekday mornings and afternoon rush hours (6-9 a.m. and 3-6 p.m.), when it will only run between downtown Pittsburgh and Overbrook Junction.

Riders using stations south of Overbrook Junction during these times should board Blue Line rail cars.
