Detours for St. Patrick's Day Parade

FOR IMMEDIATE RELEASE (March 14, 2024) – Nearly 50 Pittsburgh Regional Transit bus routes will be detoured on Saturday, March 15 for the city's annual St. Patrick's Day Parade.

Some detours along the parade route will begin as early as 7 a.m. and continue through 5 p.m. Most detours will begin at 9 a.m. and will end when Pittsburgh police reopen streets around 2 p.m.

A complete list of the detours can be found at www.rideprt.org/stpats2025.

Because several bus routes will be unable to reach streets located closer to the middle of downtown, riders will be able to disembark buses and transfer – for free – to light-rail cars at Station Square or Penn Station, the bus and rail station along the Martin Luther King Jr. East Busway. PRT will be operating a free rail shuttle between Penn Station and Steel Plaza.

Riders with questions about service are encouraged to call PRT Customer Service at 412-442-2000 or via web chat at www.rideprt.org.
