Effective: 4/30/2022 to 4/30/2022

Saturday

Effective Saturday, April 30, 2022 From Approximately 7:15 AM (Start of Service On Some Routes) Until Around 12:30 PM

The City of Pittsburgh has provided permits to P3R-Pittsburgh Three Rivers Marathon, Incorporated to hold various and multiple marathon events over the weekend of April 29 - May 1, 2022 and to close, open and change street closures locations for set-up, actual marathon routings and dismantling of materials after each event.

The first major Pittsburgh Marathon event requiring this detour will be the UPMC Health Plan /UPMC Sports Medicine 5K Run on Saturday, May 1, 2022.

Due to The Sixth Street (Clemente) Bridge Construction Closure, both run courses and transit detours are altered for 2022.

The 5K Run will begin on the North Shore on West General Robinson Street between Bill Mazerowski & Chuck Noll Ways, then proceed via West General Robinson to Sandusky Street, proceeding north to a left using South and West Commons, then left on Ridge Avenue to a right on Brighton Road, then a right on Western Avenue. Mile 2 of the 5K returns via Ridge Avenue, then West, North and South Commons with a small use of Federal Street turning back at Montgomery Street, then Sandusky again; over the Seventh Street Bridge and Seventh Street, crossing Liberty Avenue to Sixth Avenue and a right on Wood Street to the finish line on the Boulevard of the Allies between Wood Street and Commonwealth Place.

The Chick-fil-A Kids Marathon will then follow on a slightly reduced course (Detour Notice #22-102-0).

All streets noted and at least a one block area including all intersecting streets to the above will be closed.

Street closures are anticipated to begin around 7:15 AM.

The 5K Run begins officially at 8:00 AM.

It should conclude around 9:30 AM, with the opening of most North Side streets and Allegheny Commons around 10:00 AM.

West and East General Robinson Streets, Federal & Sandusky Street, the Seventh Street Bridge and affected Downtown streets (except for the Boulevard of the Allies) will re-open around 12:30 PM.

Detour #22-103-0 will cover detours for those routes that will remain affected by the extended Boulevard of the Allies closure for all Pittsburgh Marathon events after these two events, which will serve as the finish line for all activities over the entire weekend.

This Detour Will Be Effective Upon Notice From Bus Traffic Operations (BTO) (Or On Some Routes, With The First Unit Of The Morning) Or By A Road Operations Supervisor On The Scene on Saturday morning, April 30, 2022.

Notice Of The Change To The Kids Marathon Detour (#22-102-0), and later, resumption of regular routes or additional detours will be announced by Bus Traffic Operations (BTO) Or By A Road Operations Supervisor On The Scene.

Charles Rompala, Darnise Demery & Jessica Delaney
