Saturday

Effective Saturday, April 30, 2022 From Completion Of Other Saturday Detours (Around 12:30 PM) To End Of Saturday Service On Each Route

The City of Pittsburgh has provided permits to Pittsburgh Three Rivers Marathon (P3R), Incorporated to hold various and multiple marathon events over the weekend of April 29-May 1, 2022 and to close, open and change street closures locations for set-up, actual marathon routings and dismantling of materials after each event.

After the completion of both the UPMC Health Plan/UPMC Sports Medicine 5K Run and the Chick-fil-A Pittsburgh 1 Mile Kids Marathon on Saturday, April 30, 2022, and their crossing of the finish line on the Boulevard of the Allies at Stanwix Street, the closure footprint for that finish line will be enlarged and extended to allow for further assembly and additional security device installations after approximately 12:30 PM Saturday afternoon.

Once established, the footprint will continue through the Sunday marathons, then still remain in place until the area is fully dismantled and cleaned, which is anticipated to be around 6:00 PM Sunday, May 1, 2022.

Thus, once extended, the Boulevard of the Allies will be closed from Commonwealth Place (including Commonwealth) to Smithfield Street; Stanwix Street will in turn be blocked from Fort Pitt Blvd to Third Avenue on the northbound (inbound)side and Fourth Avenue heading outbound (southbound).

Additionally, Graeme Street will be closed from Fort Pitt Boulevard to the Boulevard of the Allies; Market Street from First Avenue to Third Avenue and finally, Wood Street and its bus lane from First Avenue to Third Avenue (Fort Pitt Boulevard for buses).

Finally the Boulevard of the Allies Exit Ramp from Exit 70-A on the northern end of the Fort Pitt Bridge will also close.

This notice will be superseded by the main detour on Sunday morning, May 1, 2022.

After completion of all marathon activities, the area will remain closed and this detour will again be necessary until later in the day Sunday when all structures have been removed and the boulevard has been cleaned.

Enactment Of This Detour Notice Will Occur After 12:30 PM On Saturday, April 30, 2022 After All Other Streets Have Been Re-opened And Upon Notification By Bus Traffic Operations (BTO) Or By A Supervisor At The Scene.

All buses Downtown will be detoured with the first service units on Sunday, May 1, 2022 for the full and half marathons, ground relay and new back-half marathon.
